### **DETAILED ACTION**

Receipt is acknowledged of a request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e) and a submission, filed on 11/10/03. The submission, however, is not fully responsive to the prior Office action because Applicant's amendment to the claims changes the invention. See MPEP 706.07(h) XIII, which states that "Applicants may not switch inventions (divisional equivalent) as a matter of right or add new matter". Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period for reply supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).
